TEACHING IN CAMEROON: A CASE STUDY

MY CAMEROON FAMILY

PREACHING WORKSHOPS

OUR MISSION: CHURCH PLANTING

- Église Baptiste Bethléem founded in 2020
- Bilingual church with 62 covenant members (anglophones and francophones); many distinct tribal groups; regular Sunday attendance now over 150 maxing out our rented facility
- We aim to start a church planting movement that fills Yaoundé and all of Cameroon with healthy, gospel-preaching, missions-advancing churches
- 2 Strategies: plant church-planting churches out of EBB, partner with graduate students who are church planting;

OUR MISSION: GOSPEL MEDIA

- **Printing On Demand:** To provide affordable, sound Christian literature in both English and French

Bookstores are very rare and often filled with books advocating strange doctrines
 Lack of French resources; we want to stimulate the translation of some tried and true books not yet available in French
 Encourage doctrinally sound African leaders to write and publish

Music: To provide culturally relevant, gospel-rich music for church congregations to sing

Much music sung by congregations lacks theological substance and gospel richness

equipment is in our living room!
